## Venue Hire

We acknowledge that MOD. is built on the traditional lands of the Kaurna Miyurna and we respect their spiritual relationship with their country.

We also acknowledge the Kaurna Miyurna as the traditional custodians of the Adelaide region and their cultural and heritage beliefs are still as important to the living Kaurna Miyurna today.

# ABOUT MOD.

MOD. is a futuristic museum of discovery. It's a place to be and be inspired by ideas at the intersection of science, art, and innovation.

Our exhibitions are designed for people aged 15-25, showcasing how research shapes our understanding of the world around us to inform our futures.

MOD. is like no other museum experience in Australia. We bring together researchers, industries, and students to push boundaries, explore, and be inspired.

We present one exhibition each year, along with a program of workshops, talks and events.
